## **1. Introduction**

A **Free Ayurveda Health Camp** was organized by Vaidya Yagya Dutt Sharma Ayurved Mahavidyalaya & Hospital with the objective of providing accessible Ayurvedic healthcare services and promoting awareness regarding the benefits of Ayurveda for healthy living. The health camp was **sponsored by “Vassu Healthcare Private Limited, Vadodara”**, whose support contributed to the successful organization of the camp and facilitated the provision of healthcare services to the beneficiaries. The camp provided free consultation and healthcare services to members of the public through various specialized departments of Ayurveda.

## **2. Departments Participated**

Free consultation and healthcare services were provided by the following departments:

- **Kayachikitsa**
- **Panchakarma**
- **Balroga**
- **Prasuti & Stri Roga (PTSR)**
- **Shalakya**
- **Shalya**

## **3. Objectives**

The major objectives of the health camp were:

- To provide **free Ayurvedic healthcare and consultation** to the public.
- To promote awareness about Ayurveda and its holistic approach to healthcare.
- To educate people regarding healthy lifestyle, diet and preventive healthcare.
- To encourage the community to adopt appropriate Ayurvedic practices for healthy living.
- To commemorate the **11th National Ayurveda Day** in accordance with the theme *“Ayurveda for a Healthier Tomorrow.”*

## **4. Activities Conducted**

The camp commenced at **10:00 AM** at **P.L.R.D. Hospital** and continued until **2:00 PM**. During the camp, the health camp was **sponsored by Vassu Healthcare Private Limited, Vadodara**.

public were welcomed to avail themselves of the free healthcare services. Ayurvedic healthcare professionals provided consultation and guidance to the participants based on their health-related concerns. The participants were also educated about the importance of preventive healthcare, proper diet, healthy lifestyle practices and the role of Ayurveda in maintaining overall well-being. The camp served as an effective platform for connecting Ayurvedic healthcare services with the local community and spreading awareness about the benefits of Ayurveda.

## 5. Public Participation

The camp was open to all members of the community. A good response was received from the public, and people from different age groups participated and availed themselves of the free healthcare services. The camp also helped in creating awareness about the role of Ayurveda in promoting health, preventing illness and improving quality of life.

## 6. Outcome

The Free Ayurveda Health Camp successfully provided accessible healthcare services to the community and promoted awareness about Ayurveda and its holistic approach to health. The Participation of various departments ensured that 176 patients could receive consultation for a wide range of health concerns under one platform.

## 7. Event's Photos

## 7. Conclusion

The Free Ayurvedic Healthcare Camp, organized on 23 September 2026 at P.L.R.D. Hospital on the occasion of the 11th National Ayurveda Day, was a meaningful community healthcare initiative.

The programme reflected the theme "Ayurveda for a Healthier Tomorrow – स्वस्थ भविष्य के लिए आयुर्वेद" and highlighted the commitment of Vaidya Yagya Dutt Sharma Ayurved Mahavidyalaya towards providing accessible Ayurvedic healthcare and promoting healthy living in the community.
